## 2nd Quarter 2006

### Credit Union Now Has Website

The CFLA Credit Union now has an Internet Website. The address for accessing the website is [www.cflacu.com](http://www.cflacu.com). The main purpose for the development of the website is to have a means to convey credit union contact information in the event of an emergency; especially one causing the relocation of the credit union office. However, current rate schedules and loan promotions, as well as other credit union information, are also available on the website.

So, the next time you're out surfing the web, drop by and pay us a visit!

### Celebrating 10 Years

At the monthly Credit Union Board Meeting held on May 17, 2006, board members presented Kathy Acosta with a gift certificate in recognition of her **10 years of service** as Credit Union Manager. Kathy reached this milestone on May 10, 2006.

Congratulations, Kathy!

**It's not too late to plan a
